

COMMITTEE TO END THE MARION LOCKDOWN

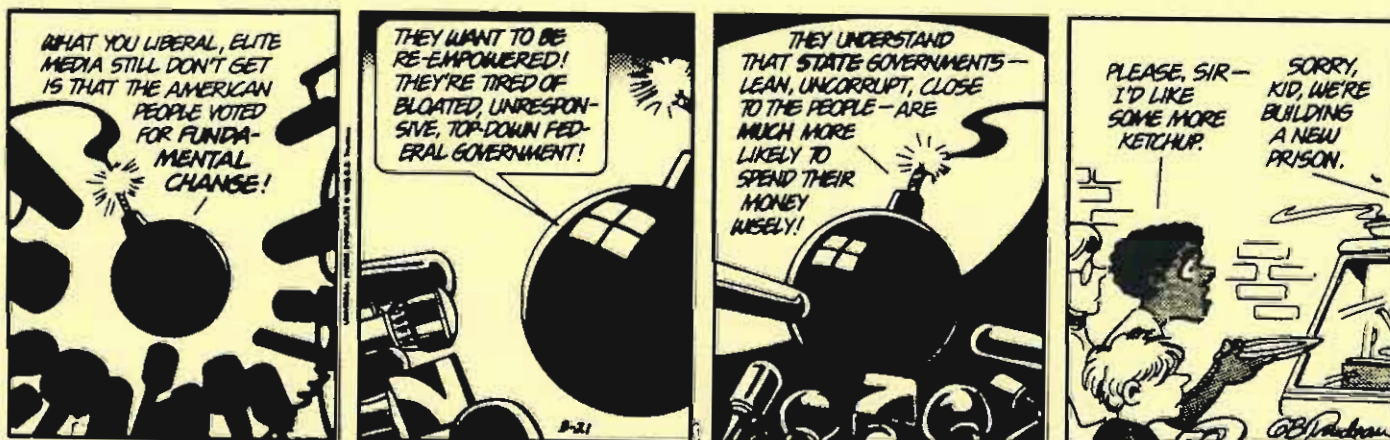

The Committee to End the Marion Lockdown invites you to attend the national day of protests against the Contract on America and all the other reactionary, racist maneuvers that are being put forward from Springfield to Washington, D.C.

Across the country, demonstrations are being planned in New York, San Francisco, Chicago, Cleveland, Miami, and 20 other cities. Come with us to the Chicago demonstration, which is assembling at Michigan Avenue and Monroe Street at 11:30 am, May 6, 1995. We urge everyone to join our anti-prison, anti-racism contingent. We will be meeting at:

Michigan Avenue and Madison Street
on the East side of Michigan Avenue by the fountain
Saturday, 11:00 am, May 6, 1995

March with us and our banners and placards. Vote with your feet and voices against Newt, Edgar, Clinton and all the others who are cutting back all social programs. All they are able to build is more prisons.
