

WORKING PEOPLE & THE UNEMPLOYED NEED UNITY TO GET A BETTER LIFE! NO NAZI/KLAN RACISTS! NO TO ANTI-GAY TERROR!

STOP NAZI RALLY 1 PM

JOIN US TO HELP STOP THE NAZI/KLAN! **TODAY** THEY ARE HAVING A RALLY IN LINCOLN PARK!

The Nazi/Klan racists are a growing threat. Wherever they go, people are knifed, firebombed, beaten and murdered for the "crime" of being born the 'wrong' color, having the 'wrong' sexual practices or the 'wrong' beliefs.

When the Nazis came to power in Germany, tens of millions were labelled 'subhuman' and murdered: Jews, Poles, unionists, gays & lesbians. Only the Nazis & very rich came out ahead. Where the Klan has gained power here, they murder Blacks, Jews & union activists. Together they preach the big lie: white superiority. They want race war & world war. **HELP STOP THEM!**

DON'T THEY HAVE A RIGHT TO FREE SPEECH?

* Did the (white) woman they stabbed last month at Fullerton & Halsted have free speech? Her crime? To throw back a Nazi leaflet at them.

* Did the woman & child have free speech when the fascists firebombed their apt. on Barry St. last year & paint KKK on the walls? Their crime? Being born Black.

* Did the man kicked to death in Uptown this winter have free speech? The Nazi-linked Rebel gang killed him. His crime? Being Black.

FOR THE NAZI/KLAN FASCISTS, TODAY'S RALLY IS A WAY TO RALLY MORE KILLERS. HELP STOP THEM!

WON'T THE COPS TAKE CARE OF THIS PROBLEM?

Government officials have been protesting them from angry crowds for years. They send out cops to protest them. (But where is the protection for their victims? Where are the prosecutions for the crimes listed above?) Determined crowds **HAVE** scattered these racists- from Evanston to St. Louis. **COME TO THE RALLY TODAY AT 1 PM. YOU CAN HELP STOP THEM TODAY!**

WHY WILL EVEN MAYOR WASHINGTON TRY TO PROTECT THEM?

Government runs to help the tiny class of very rich. To help the rich survive the world economic crisis, government cuts Food Stamps & aid to education while they build more prisons & 17,000 more Nuclear bombs. Government helps break workers' unions to help this owning class get higher profits: from Reagan & PATCO to Washington & the Tribune. Reagan & Congress (Democrats & Republicans alike) hurt the weakest and try to whip up war fever.

Growing hardship and fear of the future breed anger. The Nazi/Klan seek to organize white workers' anger into anti-Black, anti-gay/lesbian, anti-Jewish, anti-communist attacks. This hides the rich class from white workers' anger. It turns 1/2 of working and oppressed people against the other 1/2. Government tries to protect these fascists to help the rich.

ARE YOU THINKING: "IF I IGNORE THEM, MAYBE THEY'LL GO AWAY" ?

The rich class & government work to escape the crisis by cutting our standard of living, investing overseas, spending our money for war. Reagan fuels existing racism by pretending that affirmative action causes white workers' problems. **NAZIS WON'T GO AWAY; HELP STOP THEM.**

WE NEED UNITY FOR A DECENT LIFE. THE NAZI/KLAN WANT RACE WAR TO TURN THE U.S. INTO S. AFRICA.

The Anti-Imperialist Group works to help build that unity. We built support for the Trib workers' strike. We organized to defend the CTA driver unjustly victimized for the accident at the Springsteen concert last summer. We lead the Anti-Apartheid Solidarity Comm. to fight U.S. big business support for the racist, slave-labor apartheid system in South Africa.
